

STANDARD SHARES INCLINED TO WAVER ON DAY'S MARKET

Conservative Interests Disappointed; Specialties Subject to Manipulation; Copper to Front in Final Hour.

NEW YORK, Nov. 11.—The tendency of the market was doubtless disappointing to conservative interests which welcomed yesterday's general rise of standard shares. Investment issues were inclined to waver on realizing sales while the specialties were again under the influence of manipulation.

United States Steel was among the features of strength with copper coming forward with a rush in the final hour. There were desultory upward movements in oils, especially Mexican Petroleum and fertilizers. Rains were under restraint throughout. A considerable part of London's offerings were reported to be for the Dutch account. Total sales were 972,000 shares. Foreign exchange was visibly strengthened and Paris checks a trifle easier. There was little change in the bond market. Total sales were \$7,230,000.

(By L. J. Overlock)

BOSTON, Nov. 11.—There is no change in my advice, we are having and will continue to have a real bull market. Buy the copper and hold for a big advance.

CORN LIMPERS! USE "GETS-IT" AND SMILE

Corns Come Right Off, Clean and Quick! You Needn't Limp, or Fuss With Your Corns Any More!

What's the use of spoiling a good time for yourself by limping around with fierce corns? It's one of the easiest things in the world, now, to get rid of them. "Gets-It" does it the

new way. That's why "Gets-It" has become the corn remedy of America, the biggest selling corn remedy in the world, preferred by millions. Do you remember that treacherous, salty, sticky, sticky tape, that too-band-aid bandages, the disgusting you've done with knives, razors and scissors? Well, now, forget them all. No more fussing, no more pain. Whenever you use simple, easy "Gets-It," the corn is doomed, sure. So is every callus, wart of bunion. Never cut corns or calluses, it makes them grow that much faster and increases the danger of blood poison. No cutting is necessary by using "Gets-It." Use it to-night and end your corny existence. "Gets-It" is sold by all druggists, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago. Sold in Bisbee and recommended as the world's best corn remedy by Phelps Dodge Mercantile Co.

MEXICO CITY LIFE

HAS MANY TRIALS

BUT WORST IS OVER

Letter From Religious Worker to

Miss Carola Moyer Contains

Realistic Description of Difficulties Faced.

Interesting side-lights on conditions

in Mexico City are contained in a

letter received by Miss Carola Moyer,

Secretary of the Y. W. C. A., from

Mrs. J. P. Hauser, wife of the district

superintendent of the Methodist Epis-

copal Conference at the Mexican cap-

ital. Extracts from the letter are

quoted below:

You can not think how good it

seems to be on the map of the world

again and find letters coming in by

the dozen! The land route is now open

via Laredo, Texas, and letters and

seven months old are coming non-

chalantly in, like the bad boy late to

school, giving the impression that the

teacher ought to be thankful that he

got there at all. It almost took our

breath away the first time a letter

came through in seven days.

Sure as we were that many friends

were thinking of us, it has never-

theless been lovely to read the many

messages of concern and good wishes

that have been delayed all these

months. People whom we have never

seen have written of their earnest de-

sires for our safety. We ourselves

have not suffered in the least; if we

were without potatoes for a few weeks

if butter could not always be procured

and the fruit to which we get so ac-

customed was prohibitive in price—

these were mere incidents beside the

distress we saw all about us. Young

women in the church who had always

had servants in their homes, or were

in our schools, had to seek places as

servants. Whole families who had

never dreamed of want were forced to

ask for charity. The whole city was

under the cloud of misery and suffer-

ing. During all this time our church

was a regular bee-hive; we employed

some thirty extra workers during the

on China, one on Mexico (present op-
portunity and "are we ready to meet
them?"), one on Japan, and the big-
gest, finest thing we ever heard from
Dr. Butler on the Mohammedans. We
had the "Temple" beautifully decorated
with potted palms loaned by a
friendly greenhouse, and we found
lovely costumes to represent the vari-
ous countries described. But the
great service was on Sunday morning.
There was a splendid sermon, a large
attendance and about 700 pesos in the
collection and later with all amounts
in, the final total was a thousand pesos.
It seems almost unbelievable, but so
it was! A still greater thing was
when some thirty young people came
to the altar at this service to offer
themselves for special Christian work
—teachers, Bible women, lay-preachers
and, the like.

WITNESSES ARE SECRET.

names of the Chinese witnesses, ex-

amined by the federal grand jury

which started an inquiry into the

attempted smuggling of contraband

Chinese into the United States will

be secret, according to the United

States District Attorney.

The investigation is not limited to

the circumstances surrounding the

presence of eighty-six Chinese stow-

aways on the Magnolia, but extends to

the alleged landing of contraband Chi-

nese from other oriental liners in an

effort to prove or disprove the charges

against steamship officers and gov-

ernment employees.

VILLA TROOPS DEFEATED.

Passenger service from Vera Cruz to

Mexico City is reported discontinued

conditions are normal. Several heal-

ing work recently were stranded. It

is difficult to find employment for

Mexicans.

WOMAN REFUSES OPERATION

Tells How She Was Saved
by Taking Lydia E. Pink-
ham's Vegetable
Compound.

Louisville, Ky.—"I think if more suf-

fering women would take Lydia E.

Pinkham's Vegeta-

ble Compound they

would enjoy better

health. I suffered

from a female trou-

ble, and the doctors

decided I had a

tumorous growth

and would have to

be operated upon,

but I refused as I do

not believe in opera-

tions. I had fainting spells, bloated,

and could hardly stand the pain in my

left side. My husband insisted that I

try Lydia E. Pinkham's Vegetable

Compound, and I am so thankful I did,

for I am now a well woman. I sleep

better, do all my household and take

long walks. I never fail to praise Lydia

E. Pinkham's Vegetable Compound for

my good health."—Mrs. J. M. Rison,

1200 West Broadway, Louisville, Ky.

Since we guarantee that all testi-

monials which we publish are genuine, is it

not fair to suppose that if Lydia E.

Pinkham's Vegetable Compound has the

virtue to help these women it will help

any other woman who is suffering in a

like manner?

If you are ill do not drag along until

an operation is necessary, but at once

take Lydia E. Pinkham's Vegetable

Compound.
